

## MetYouth Bible Reading Challenge 2016

This opportunity is for everyone who wants to start their new year off right, whether you're a novice or a master Bible scholar!

The challenge will last four months, and consists of three separate "Missions." Join us for one—or all three!

- **Mission I: 30-Day Old Testament Challenge**—(January) This will go through the major highlights of the Old Testament, giving you an overview of the significant figures and prophecies that foretold the coming of Christ.
- **Mission II: 30-Day Gospels Challenge**—(February) Here, we will go through Christ's entire life chronologically, by reading passages from the four Gospels.
- **Mission III: 60-Day New Testament Challenge**—(March 1st - Pascha) In the final challenge, we will read through the entire New Testament after the Gospels. This challenge will begin just before Lent and finish during Holy Week.

Before the start of each mission, we'll post a schedule with readings for each day of the week except Sundays. These readings will consist of 1-3 chapters of the Bible and takes roughly **20 minutes** per day.

Along with the readings for the Bible Challenge, the reading schedule lists lectionary readings for major feast days and Sundays. These passages are short and participants may wish to include them as part of their reading routine.

**Sundays** will not have any assigned readings and can be used to take a break or catch up on previous readings.
